Dear Friend:

Every resident who joins the community of Fairport Baptist Homes has a unique personality, a unique story. And yet, we often see a common theme: When they first join us, their families are concerned—their loved one seems subdued, not their usual self, not the person they used to be.

It's easy to assume that, well, "they're just getting older." But then, it happens...It may be weeks, or even just days. But it happens.

In the words of one family member:

When mom was in and out of the hospital and rehab this summer, I never thought I would see her able to speak clearly or smile again, and absolutely NEVER thought she would laugh again....but this past week, I've seen such a change in her. She is smiling so much more, laughing a lot and talking with the staff and other residents....she is making jokes and making people laugh a lot.... We really do appreciate all that you do for her. We are very blessed by your dedication to the residents.

Our residents don't just stay with us, they live with us—in the fullest sense of the word. And thanks to your generous support, for the best equipment, engaging programs, and well-trained staff, the quality of their care, and their lives, is unsurpassed.

We thank you for your past generosity, and hope you'll consider sending in your gift today, so we can continue the important work of caring for our seniors, providing them with the support and services they so richly deserve. Your gift can, and does, make a difference, all year long!

Sincerely,

P.S. Please take a moment to complete and return the enclosed survey—we look forward to hearing from you soon!
