

2016 Allocations

Deland Acres/ ElizAI Court

An \$8,000 grant was made to pay for 5 picnic areas at Deland Acres for celebrations, neighborhood gatherings and enhance our neighborhood community.

Education Program

To increase participation in Academy of Leadership in Long Term Care to support our employees who wish to broaden and strengthen their leadership skills; a grant of \$10,000 was made to cover expenses related to staff attending the Academy for Leadership.

Rehabilitation

An \$8,000 grant was made for the purchase of an omnicycle and transfer poles which will aide in the recovery and successful rehabilitation of transitional care residents.

Nursing

\$23,610 was designated to purchase medical equipment which will have a direct impact on care on a daily basis: an oxygen concentrator, two Vital Sign machines, 2 suction machines and a tub.

Marketing

A grant for \$11,500 was made to purchase a digital sign for the lobby area and an internal FBH tv channel to keep residents, families and guests informed about FBH, promote involvement and enhance communication.

Chapel

A \$2,000 grant was made to support the successful chapel concert series which provides entertainment to residents and families and friends each month and reaches beyond FBH and involves the Fairport community at large.

Assisted Living

\$12,000 was granted to replace shades in Assisted Living and to remodel two parlor areas. These improvements will benefit our current and future residents and our residents, families and guests will enjoy the renovated parlors.

Staff Allocations

\$7,000 was granted to support the continuation of the monthly staff allocations group in which staff, families and residents are able to make grant requests up to \$500 for anything they see as a need at FBH. The committee will continue to meet monthly to make grants all year.
